TIFFANY STAR

the right to twinkle

Hey, guys! It's Lindsey. Unbelievably adorable Tiffany is in college studying music, performing arts and musical theater—but she's already a star!

Hey, Tiffany! So, I heard you started modeling and acting the minute you turned 18.

I think I was, like, 18 and one month. I couldn't wait! LOL!

Did you always know you wanted to be a porn star?

Not necessarily a porn star, but definitely a star. I always wanted to be on camera and have people watching me. And now I am!

Some people think adult movies aren't, like, "real" movies.

Whatever. It's still performing!

So, that means, in your scenes, when you get all noisy and

squirmy, you're just acting?

No, not exactly. It's hard to explain, but...okay, when I'm doing a scene, it's, like, *hyper* real. Like, it starts out as performing, but then I get turned on 'cause I'm actually having sex with a guy who's really good at it, and then I get *super* turned on 'cause I'm doing it on camera, and I know millions of guys are going to see it. It's complicated. But it's definitely real!

So, basically, when you *seem* to be coming in a scene, you *actually are* coming?

Yes! The way you can tell is, I just start, like, babbling. My brain goes out the window, and my pussy takes over.

Is making movies work or fun?

It's both. I feel really lucky. I don't think a lot of people in the world get to have jobs that they love.

AGE: 18
HEIGHT: 5-4
WEIGHT: 116 POUNDS
MEASUREMENTS: 36C-25-35
HOMETOWN: TOLEDO, OHIO

What about modeling—did you like posing nude?

Yes, it made me feel sexy.

Do you ever get naked in public?

Yes!! I'm a total show-off. I love flashing people and seeing their faces.

Do you flash the top or the bottom?

It depends on my mood—and if I'm wearing panties. There's about a 50/50 chance of that. LOL.

What's your favorite way to have sex in real life?

Fuck me from the back and pull my hair. Then come all over me.

What is the wildest thing you've ever done besides porn?

I fucked a guy on the first night. Which I guess isn't really all *that* wild. Honestly, I'm just a nice girl who loves sex and happens to do it for a living.

What are your plans for the future?

Same as now—to be a star! ★

Tiffany stars in *BARELY LEGAL #102*, *BARELY LEGAL All Girl Toy Party*, *BARELY LEGAL Brand Spankin' New* and more on DVD from HUSTLER Video.

PANTY CONTEST WINNER

Announcing the winner of our December 2009 Panty Giveaway contest—G.S.L. of Illinois! Just like Nikki Brooks's eyes, his letter was very seductive.

NIKKI BROOKS

Dear Nikki Brooks,

Your breasts are totally awesome, pretty smile, nice hair, great butt and very, very pretty pussy, and your feet are cute also, and your eyes are very seductive, and your lips have a message all their own that says: "Come devour me, baby."

I know I can't have the real thing, but at least let me imagine myself removing your panties with only my teeth, sliding them down very sexy legs and over the thighs, past your knees and down over your ankles. Then I would eat your pussy until you came profusely and then lick your asshole until I had you creaming the sheets. I would lube up my large, black dick in your freshly shaved pussy and fuck that gorgeous ass of yours until we both came, and I would let you clean me off and start all over again, all day and night, baby, because when God creates a woman like you—your body was built for sex, and to waste that awesome body would be a crime of ultimate passion! Damn, I want you in this life and the next. Take care, baby.

Your devoted fan and mystery boyfriend,
G.S.L.
Illinois

ASHLYN RAE

Hello Lindsey,

I absolutely love your magazine. Everything about it. I have been a subscriber for about four years, and I love every issue. This is in response to a question you asked in your November issue, in the *Dear BARELY LEGAL* section. Do we like how you show the girls fully clothed before they get naked? ABSOLUTELY! It is like a page-to-page strip show. Beautiful young ladies in cute outfits, slowly showing us the goods! Pretty bras and beautiful panty-covered bottoms. It's the chase before the catch. BARELY LEGAL is something I can't wait for every single month. Renewing my subscription is always a lock. Keep up the great work, Lindsey!

David
Nevada

P.S. Ashlyn Rae is a goddess! Please bring her back! A lot!

Thanks, David! I can't promise Ashlyn Rae will be back a lot—but she will be back soon! Look for her in an upcoming issue. Also, it looks like lots of guys agree with you about clothes. :) See below!

—Lindsey

Dearest Lindsey,

I'm writing in response to what [reader] W.F. had to say and your question to us guys about clothes. I must say, my opinion is that there is nothing more sexy than a sexily clothed young woman on the first page, teasing me, and by the last page showing me all the beauty she has to offer. And, Lindsey, you are right—Chastity [July 2009] looks so cute in her cheerleader uniform.

I always read the letters about what other guys want to see, whether it is big or small, short or tall, blond or brunet, shaved or not so shaved, etc., but I have to say, you never, and I repeat, never, ever have disappointed me in the variety of beautiful young women that have graced the pages of BARELY LEGAL. Don't change a thing.

Love always and best wishes to all,
Dave
Pennsylvania

Dear BARELY LEGAL,

There was a question from Lindsey about whether readers enjoy seeing girls such as Chastity Lynn clothed. OF COURSE WE DO!!! She looked so cute in her cheerleading outfit, which made me go wild. It is so fun to flip between her first and last photos—she looks like a good girl who just wants to have a little fun.

Scott in Florida

Dear BARELY LEGAL,

In regards to W.F. from New York's letter in the November issue: Please, please don't change a thing. I love various stages of undress. If you stop showing the girls in their actual clothes, I am afraid I'll just stop buying the mag. That sets you apart from the others. I am just not interested in mags and movies that don't do that.

I love your mag and DVDs. Keep up the good work.

J.D.T.M.
Iowa

Thanks for the awesome feedback, Dave and Scott! And J.D.T.M.—don't worry, now that we know like 99.999 percent of you guys like the girls in their clothes, we're going to keep doing it!

—Lindsey

Dear Lindsey,

You've totally outdone yourself with the November 2009 issue. Amanda has to be, without doubt, one of the cutest, prettiest and downright sexiest girls you've ever featured in your magazine! The moment I saw her lightly freckled, pretty face on page 96 when I was flicking through the pages in the sex shop, I knew I had to buy this issue. As soon as I got home, I was wanking off over her and came in loads.

Tell Amanda not to change a thing, she is beautiful the way she is. Her cute smile, pigtails, brown hair and green eyes and lightly freckled skin are just all so awesome...so perfect! I can't believe that guys in her school are not into her. If I went to her school I wouldn't be able to take my eyes off her.

I know I don't really have to tell you this, Lindsey, because BARELY LEGAL is usually quite good with this, but please don't airbrush freckles and moles. They are natural and beautiful to me. They drive me wild, and they are the main reason I buy these magazines, so keep it real!

S.B.
London, England

We will, S.B.! Also, Amanda says thank you, and she can't wait to get out of high school and meet older guys like you who appreciate freckles. And she wants to know, do you have a cute accent? ;)

—Lindsey

Dear BARELY LEGAL (Lindsey),

I am a first-time writer. After seeing Alicia (December 2009), omigod, thank you so much, BL. I thought girls of her natural beauty were a thing of the past. Alicia, thank you for not shaving that beautiful pussy for your boyfriend. You're gorgeous just the way you are! Your seductive green eyes are breathtaking, as well as your perky tits and full, moist lips—both sets. It's been a long time since I've seen a girl of natural beauty like Alicia, thank you so much. I hope to see more of Alicia in future issues. Your boyfriend's loss was our gain!! (Thanks, Lindsey.)

First-Time Writer
Maine

Dear Alicia,

About your boyfriend? Any guy who could say goodbye to you because of your hairy pussy is a pussy. Your pussy looks great! And I would love to tickle my nose in your soft and lovely bush, then kiss and suck your lovely, dark pussy lips. I think you're really HOT and pretty, with beautiful eyes.

I will never understand why girls shave so much off. It takes so much sexiness away from them. I was thinking of dropping this magazine, then I saw you and your lovely eyes, ass and hairy pussy with awesome dark lips. WOW! I'm in love lust! :) I'd ask you for a pair of your used-all-day panties and hope they had a hair left in them, but I don't think you wear them.

R.S.
Ohio

Omigod, I was so worried that nobody would write in about my layout. Thank you, First-Time Writer and R.S.! Who needs a stupid boyfriend, anyway? Love you guys!

—Alicia

BARELY LEGAL NEWS FLASHES

RIHANNA BARELY LEGAL GIRL

R&B superstar Rihanna has been named Honorary BARELY LEGAL Girl of the Month a record *three times* (May 2007, November 2008 and June 2009), but she's still not satisfied. Everybody can totally see she's going for number four!

First? She went on a radio show and announced, "If you don't send your boyfriend naked pictures, I feel bad for him."

Then she told an interviewer her dream acting role would be to play a "gay assassin," with "yummy" Megan Fox playing her girlfriend.

And finally, at *Glamour* magazine's Women of the Year awards, she slipped her biggest nip ever!

Rihanna, no offense, but you *can't* win our honorary title again. You are now an actual BARELY LEGAL girl!

RAE DAWN CHONG

by shawna the film scholar

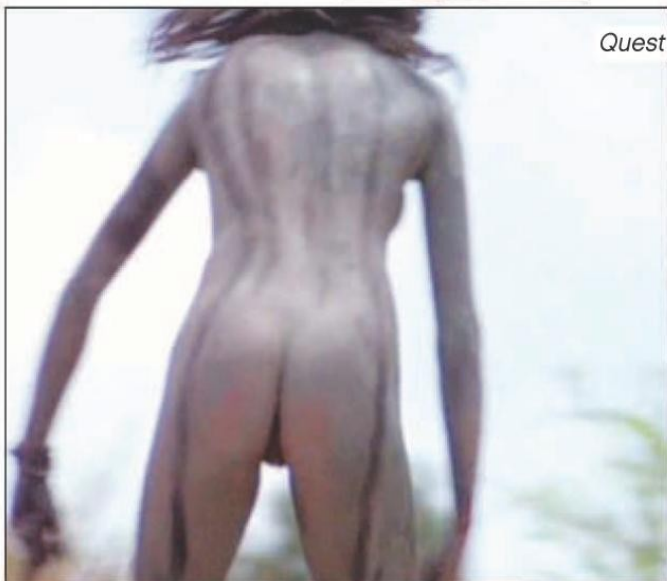

Young Rae Dawn cleaned up good!

Quest for Fire (1981) is an excellent movie to rent if you have to write a paper for your anthropology class and you were busy watching *The Hills* instead of doing the reading. You will learn a *lot* about prehistoric times—mainly, that they were the sexiest times ever!

First of all, cave girls didn't even wear clothes. You could see boobs, butt, bush—*everything*. And the girls were young and hot, too, especially Ika, played by Rae Dawn Chong.

Second, did you know that doggy-style was the *normal* way people had sex back then? According to this movie, Ika was the one who changed it to the missionary position. She twists her body around and *makes* her cave boyfriend do it that way. (Which, *why?* Doggy feels so much better!)

Anyway, *Quest for Fire* will teach you just enough to get a C+ on your paper—and an A+ orgasm!

JANET JACKSON

YOUNG CELEB FANTASY

For some reason, pop legend Janet Jackson didn't start acting like a BARELY LEGAL girl until she was way old. (Exhibit A: "Accidental" slip of 37-year-old titty at the Super Bowl.) When she was *actually* barely legal, she dressed more like a boy than her brother Michael did! What a waste of hotness! Well, just like Janet decided it's never too late to be nasty, we decided it's never too late to make her *young* and nasty.

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I am completely soaked. April is, like, the wettest month. No, not outside—here inside the BARELY LEGAL offices. Specifically, my panties!

And I'm not the *only* girl with dampness issues. Check out Yui's furry coochie on page 36. She's gonna totally stain that couch with her pussy juices! (Kind of like my office chair. Oops!)

Naughty blond Rachel purposely *makes* things sticky—look at her lubing up that vibrator with her own mouth. I hope she gets it slick enough, 'cause her hairy pussy looks awfully tight!

But let's get back to my panties and why they are so wet. *Hmm*—there's Tracy's spread buttohole. There's Brooke Lee Adams's insanely puffy nips. There's Sasha's tongue jammed into Stella's behind. It could be *any one* of those things drenching my undies.

Or—maybe it's ALL of them! Maybe, just maybe, the complete and total hotness of the April issue is causing this panty flood. There's only one way to be sure: What's going on in *your* pants? ;)

Devon the intern here with Japanese schoolgirl Yui, who speaks excellent English and is super excited to be in **BARELY LEGAL!** "This is so cool!" she gushes. "I feel very wet!"

What's your biggest turn-on?

I love it when men talk dirty to me.

What kind of men do you like?

I like gentle, middle-aged men. I use my male teachers for masturbation material!

Don't you like boys your own age?

Some, but middle-aged men seem to find me more attractive—and they're better at sex!

How often do you masturbate?

Every day in the shower. It's a bad habit! I can't keep my hands off my pussy.

Have you ever shaved your pussy?

No. I know American guys like a shaved pussy, but I like having hair.

What's your favorite sexual activity?

I like to have sex outdoors. I've done that a lot.

Aren't you worried about getting caught?

I *have* been caught! My first time, I was with my boyfriend at the time. We were at his house, and his mom walked in on us! She was like, "What the hell are you doing?"

Did you like it?

It hurt, but it felt good, too. I didn't come, but I was very satisfied.

Do you usually come when you have sex?

Not at first, but I do now that I'm having sex with a variety of guys.

What's your favorite position?

I like to be on top. When a guy lets me sit on him, anything goes!

How do you like to be fucked?

I like it gentle, but not too gentle. I don't mind having my hair pulled or getting spanked, as long as it's not too hard!

Have you ever had butt sex?

No, never. What is it like?

AGE: 18
HEIGHT: 5-3
WEIGHT: 118 POUNDS
MEASUREMENTS: 32A-26-34
HOMETOWN: NARA, JAPAN

What's the naughtiest thing you've ever done?

I sucked off three guys at the same time. I love to give really tender blowjobs.

What's your ultimate sexual fantasy?

To have a threesome and get sandwiched by two guys. It sounds fun!

How did you get into nude modeling?

I always wanted to try it. It sounds like a cool job. You can do things you don't normally have the chance to do.

You didn't mind being naked in front of the camera?

I am nervous about the size of my breasts. My little sister has bigger boobs than me! That's why I hate her! But I hope the BARELY LEGAL readers will see my other merits. ★

To enter the contest, all you have to do is send us a letter saying *why* you want Yui's panties and what you plan to do with them. YUI'S PANTIES!

A full-page photograph of Brooke Lee Adams. She is a woman with short, dark brown hair, smiling and looking over her shoulder at the camera. She is wearing a white, short-sleeved, semi-transparent crop top with a colorful floral pattern in shades of pink, green, and blue. Underneath, a blue bra is visible. She is also wearing dark blue denim jeans. The background is a bright, out-of-focus outdoor setting with warm, golden light, suggesting a sunset or sunrise. In the top right corner, there is a blue rectangular box containing her name and the title of the feature.

Hey, it's Lindsey! Nerdy porn starlet Brooke doesn't look like a nerd or a (typical) porn starlet. She's her own thing, and it's awesome!

Hey, Brooke! Thanks for hanging out with us. I know you've been working, like, nonstop.

It's crazy how busy I am! I'm shooting tons of scenes and spreads. I did *HUSTLER*, you know.

I know, the November 2009 issue. You looked super gorgeous. Do you like modeling?

I love it, which was totally unexpected.

Why is that?

Because I started off actually *behind* the camera, working for an adult-entertainment company. I only tried modeling to make a little extra money—but it turned out, I *love* being in front of the camera. I feel completely natural and open. And the end result can be very satisfying!

What do you do for fun?

I like to spend time outdoors and hang out with my dogs. Cook. Read. I'm real big on medical journals lately.

Those don't sound like typical porn-star activities.

I'm not a typical porn star! Or a typical *anything*, I hope.

What's something about you that would *really* surprise people?

That I'm involved with politics. I worked on the Obama campaign in San Diego, which was an incredible experience. I felt like I was part of history being made.

Awsome. Now that you're a model, do you ever get behind the camera anymore?

Yes, I shoot all the time. I love shooting naked girls.

Are you into girls?

Absolutely. Girls are beautiful.

What kind of girls do you like?

All kinds—blondes, brunettes, skinny, curvy. I just love hoohaw!

Do you like guys?

Of course! Especially *big* guys. I love to climb on top of a really big guy and ride away.

What turns you off?

I don't like when you're involved with someone and they lie. Guys or girls. Character is very important.

What do you think about when you masturbate?

I usually picture a really memorable sex experience. It's exciting to relive it.

What's the best sex you've ever had?

Probably the first time my ex-boyfriend and I spent the night together. We stayed up fucking and talking all night long. It was like we were too excited to sleep and be away from each other. When you have that kind of connection with someone, it's just awesome.

I'm jealous! Before we go: What are your future plans?

To keep making porn, in front of and behind the camera. And to make a difference in the world! ★

ENOUGH TO GO AROUND

A BARELY LEGAL CONFESSION

BY
KENZIE ANN CANTO

Why are people so, like, anti-individuality? I mean, I think I'm a fun and nice person, but kids at my school are totally snotty to me, because I'm unique. I love retro music, like Donna Summer and Journey, and I have a wild sense of style. Plus, you can tell from my pics, *duh*—I love to roller-skate! I guess I was born in the wrong era. But it's okay. Being true to myself is the best way to be. I don't care if everybody at school thinks I'm weird and dress funny.

Not to sound conceited, but I don't need to hang out with the kids from school anyway. I have a very active social life, and plenty of guys like me. Older guys. That's my preference. They're mature enough to appreciate my individuality. They aren't hung up on being cool. Also, they are secure enough that if I wanted to, say, have two boyfriends, it would be okay. Because true friendship means being open.

Men totally get better with age. Like Tommy. He's a DJ and plays at parties and weddings and stuff. I met him 'cause he works a couple of nights at the skating rink. He deejays for Tuesday Night Is '80s Night and also on Slow Dance Jams Thursdays. He's maybe in his mid-30s? I would always say hey to him and request songs and stuff. I thought he was super cute, and I hoped we could be friends or maybe more.

photography by red velvet

After one Slow Dance night, I offered to help Tommy pack up his gear. I picked up a Berlin CD and was like, "Take My Breath Away" is the most romantic song ever." Tommy said if I liked that song, I needed to hear their more "edgy" stuff.

"I have an amazing collection of new wave that I don't even bring to jobs. I keep it all at my apartment, top secret. If you ever want to see."

I was like, "Please show me!"

Tommy's place was a small, packed studio, but he kept it tidy. Bed, dresser, sofa and TV were all in one room, with a kitchenette and an itty-bitty bathroom. The furniture and carpet and curtains were all neutral browns and beiges, but the walls were lined with racks and racks of colorful old albums and concert posters and CDs.

"Check this out," he said, flipping through his records. "Devo. They are so much more than 'Whip It.'" I leaned against the dresser and watched him place the record carefully on the turntable. His eyes were so dark and intense. He was growing a beard. I wondered if he was Italian or something.

"This song is cool," I said. I bobbed my head to the beat. *I've got an uncontrollable urge...* I laughed. "He must be talking about me!" I sat on the dresser and kicked off my jelly sandals, exposing my bare feet. My calves were wrapped in pink leg warmers. Tommy moved closer. I smiled and waited. It's totally cool for girls to make the first move, but I really like it when a guy busts out.

He kissed me. I opened my mouth so we could French. What a great kisser! I leaned back on my hands. His mouth traveled down my neck, pausing at my tank top so he could lick my cleavage. He pulled one of my boobs out and sucked it into his mouth. I shivered, my skin breaking out in goose bumps. He continued down, lifting my top and kissing my belly. My pussy swelled.

Tommy parted my legs and kneeled. I was breathing faster 'cause he was staring straight at my crotch. I knew it meant he was going to lick me, and that is one of my very favorite things in the world. He hooked his fingers into the waistband of my shorts. I wiggled. He slid them down, then off completely. My tank top was bunched up over my belly and under my boobs. I was naked from the waist down except for my leg warmers—LOL! My cooch was already pretty wet. A slippery little puddle formed under me.

Tommy pushed his head between my legs. He started off slow, dragging his tongue between my labes, lapping me gently. I sighed and slid closer, bracing myself, my toes on the floor and my hands on the back of the dresser. He licked faster, his tongue darting from my slit to my hole to my clit, occasionally pausing to suck my inner thighs. My clit was

throbbing. I rocked my hips slowly against his mouth. Tommy totally ruled at eating pussy!

"Wow, you're really great," I panted.

He slid two fingers into my pussy and left them there, softly massaging the walls as his lips closed around my clit. He circled my swollen nub with his tongue, then sucked it gently. I was trembling, a giant orgasm welling up inside me. His fingers still planted in my hole, he slipped his thumb between my butt cheeks and massaged my tooter. It was too much: his mouth on my clit, fingers in my hole, thumb on my brownie.

"Ahh-ahh-auunnnngh!" I wailed, my body twitching as I came. Tommy sprang to his feet, his cock in his hand. A couple of quick tugs and he was jizzing all over me.

"Aww, fuck," he growled, his splooge spattering my belly. I grinned and scooped a dollop of cum onto my finger. I stuck my finger in my mouth.

"Mmm," I grinned. "Yummy!"

What a great night! I would have loved to crash there and wake him up with a nice BJ, but I still live with my 'rents, so I had to bail.

"See ya on '80s night!" I called as I skipped out the door. I swear, nothing puts me in a better mood than a tongue in my pussy.

Well, I guess actual sex is a close second. Or maybe it's first, I don't know. Who can choose? As awesome as getting eaten out is, nothing can replace having a hard dick in my pussy. Sorry to be so blunt, but it's true! And I love *all* penises, but I have to admit that I'm a sucker for an extra long thickie.

Maybe that's why I was so attracted to Frank—he's so big and tall, I just knew he had to have a super penis!

I actually have Tommy to thank for introducing me to Frank. I asked Tommy where he found all of his albums, and he told me that he practically lived at the Melted Vinyl record shop. "This dude Frank runs it, and he knows everything."

I had to go see.

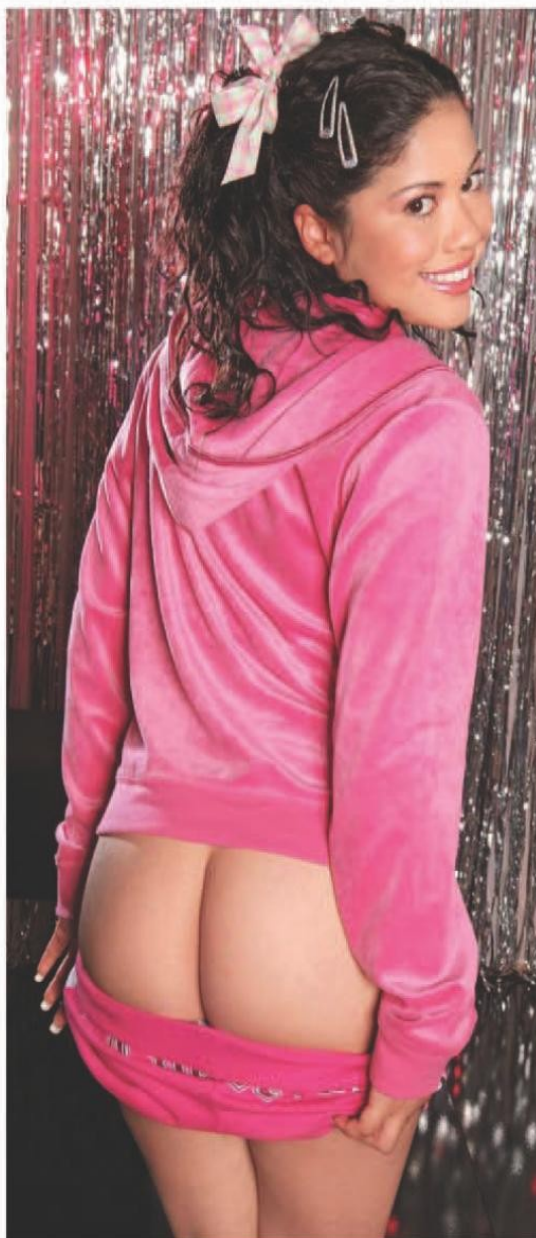

I popped into Melted Vinyl late one Monday. Other than a skinny Asian guy flipping through a box marked 50% OFF '70s TREASURES, there was no one in the store. Well, except for the big dude with long hair and thick-framed glasses leaning behind the counter reading a tattered magazine.

"Hey! Are you Frank?"

"Yes." He wasn't smiling, but his eyes were warm behind his glasses. I was wearing an off-the-shoulder sweatshirt and miniskirt (rocking it '80s), and he was totally checking out my legs.

"I'm Kenzie," I stuck out my hand. He looked confused for a sec, then he took it and shook it gently. I don't think these old record-store dudes are used to bubbly people like me.

"Tommy says you know everything," I said. "Teach me."

Frank spent the next hour schooling me on all kinds of weird stuff I'd never heard of: Sparks, T. Rex, Throbbing Gristle. I will tell you the truth: It's cool that Frank is so knowledgeable, but I was kind of tuning him out because I was distracted by the muscles in his forearms, and the way his long fingers flipped through records. I wondered what those fingers would feel like strumming against my pussy. I wondered what his dick looked like.

"Hmm," I sighed. "All I ever heard by David Bowie is 'Let's Dance.'" I paused and looked around. "Wow, it's like nine. Is the shop closed?"

Frank look startled, like I'd awakened him from a deep sleep. "Sorry, I get carried away. I've kept you."

"No, that's totally fine!" I said. "I was just thinking there was other stuff we could do. If you wanted. If you're closed, I mean—you should lock the door."

Maybe it seems like I was being slutty, but some guys are shy and need encouraging.

Frank locked the door and turned off the overhead lights. He fiddled with a thumbtack that held a corner of a Black Sabbath poster. I sat down on the battered sofa squeezed under a wall of used CDs. The room was dark except for the neon MELTED VINYL sign on the door, and the lamp by the cash register.

"You're a really cool guy," I said, beaming. I am not a girl who plays games. If I like someone I say so. I think everyone should just say what they mean!

"Thanks." Frank nodded. He really was shy. I took his hand and smiled.

"Do you think you might like to kiss me?" I said.

"Nothing puts me in a better mood than a tongue in my pussy."

That was all the encouragement he needed. When our lips parted and our tongues touched, Frank's shyness disappeared. He kissed me hard, pressing me onto my back. I lay with my back flat against the sofa and my feet on the ground. His breath was hot in my mouth, his chest heavy against me. He ran his hand up my leg, under my skirt, kneading my thigh. My pussy throbbed. He dipped his hand into my panties and ran a finger slowly between my labes. I was wet. How awesome was it that I was finding out what his fingers felt like not 30 minutes after I'd been wondering?

"Fuck, your pussy's all wet," he breathed in my ear. "I could slide my cock right into that tight little slit, if you think you could take it." Wow—shy guys are dirty!

"I don't know," I murmured. "Let me see."

your pussy?"

I flopped back and let my legs fall open. "Yes, please."

Frank climbed onto the couch, kneeling between my legs, holding his hard dick. I could feel the wetness dripping from my pussy. He parted my lips with his fingers and nudged the head into me. He teased me like that, rolling the tip just inside, back out, sliding it up and down my clit, until I had to beg him to stick it all the way inside me.

"Please," I whispered. "Please."

He pushed into me. I gasped. It was so big and I was so tight, but it felt amazing. I wrapped my legs around his waist and gripped the sofa arm behind my head as he pumped slowly, carefully, then faster, deeper.

"Yes," I moaned. Every thrust tugged my clit. I was burning

"His cock looked so super yummy."

Frank stood up on his knees and unzipped his jeans. He pulled out his cock. It was long and thick, a total dream.

"Let me see you stroke it," I said, propping myself up on my elbows. He was inspiring me to talk dirty, too! I stared as he ran his hand up and down his shaft. My pussy was pounding. His cock looked so super yummy.

"Will you stick it in my mouth, please?"

He stood up and held his dick to my lips. I ran my tongue down the shaft, back up, and swirled it over the head. I sucked the tip into my mouth, massaging the hole with my tongue. He moaned deep in his throat and squeezed the base. I cupped his balls in my hand and massaged softly.

"That's so fucking good," he groaned. "Can I stick it in

from my clit to my pussy, all the way into my belly. "Do it," I said. "Do it till you're ready to come all over me."

He thrust deeply, slowly, then quickly. A glazed expression washed over his face. "Holy...fuck...I'm coming."

With a groan he pulled out his cock and sprayed jizz all over my pussy. For a second I thought he was going to keel over, but he quickly recovered and plunged his fingers into my cooch, jiggling his hand until I came.

When I saw Tommy at '80s night, I was like, "Your friend Frank is awesome." Later that night Tommy ate my pussy in the roller-rink locker room.

Is having more than one boyfriend okay? I think it is, if everyone is happy. What do you think? ★

CATALINA TAYLOR

Hey, it's Lindsey. Catalina Taylor is the naughtiest cheerleader ever to...wait, what's that, Catalina? Oh, she *was* the naughtiest cheerleader ever. She lost her co-captain title due to an unfortunate incident in the locker room involving her mouth and the football coach's penis. That's okay, Catalina—you have a much more prestigious title now!

Describe yourself, please: I'm Dominican, so I like things *hot*. I'm fun and a bit of an exhibitionist. I just started making movies, and it's the best job ever!

Romantic status: I'm a sex-crazy single girl.

Best body part: I have a big ass. Everyone loves it!

Biggest turn-on: A big dick.

Biggest turn-offs: Prudes, hypocrites and haters.

Fave sex position: Doggy, missionary and reverse cowgirl. Missionary or doggy is the best way to make me come from fucking.

Fave way to come: Cunnilingus rocks! It brings me to the point of climax, then lingers.

Fave way to masturbate: I rub my clit daily. An orgasm a day keeps the doctor away!

To bi or not to bi: Bi, definitely. I'm into Latin girls and white girls with dark hair. My first time with a girl was on camera, and I *loved* getting my pussy eaten.

Best sex talent: I'm good at sucking cock, and I love to do it. It makes me feel powerful.

Spit or swallow: It turns me on to spit it out when I'm giving head. BUT, when I'm *fucking*, I want guys to come in my mouth. I love the combination of my pussy taste and their cum.

Anal sex, yay or nay: I've never done it, but I'm curious to try.

Fave sex fantasy: I want to find a girl in the bar, take her to the restroom or my car, and we eat each other's pussy, then a guy shows up, and we both get fucked by him.

Best sex ever: My first scene—but I know it's just going to keep getting better!

Wildest sex ever: How do I choose? I've had sex in public, threesomes. One time I even had a foursome! I guess the *absolute* wildest was when I stopped the car on a freeway and fucked in the front seat in the middle of traffic. Now that I think about it, that was probably kind of crazy!

Ultimate goal: Just to keep modeling and acting and doing my best! ★

RACHEL

oral fixation

Hey, it's Lindsey. High school senior Rachel has a very big problem—although *some* lucky people might not regard it as a problem. :)

Hey, Rachel! Tell us a little bit about yourself.

There is one main thing you should know about me: I have a total oral fixation. Seriously! They diagnosed me when I was five. I was in, like, kindergarten still sucking on a binky. Finally my mom took it away, but then I just started sucking my thumb instead.

Do you still suck your thumb?

No, but I bite my nails like crazy. I had to get these acrylics to stop myself.

They're very...elegant.

I know, I know, they're way too long. But I had to find *some* way to keep my fingers out of my mouth. ----->

Why do you think you're so obsessed with putting things in your mouth?

It's just so, like, comforting to suck on something. And when I *don't* have something to suck on, I get all, like, distressed. You know, there are other, more fun things you can suck on instead of your fingers.

Duh, I know! I love to suck cock. It's my favorite thing to do in bed.

Do you not like fucking?

Of course I like it. I have feelings down there! But I just find BJs the most satisfying 'cause I get to use my mouth, plus make the guy feel really good at the same time.

Do you like to lick pussy, too?

I do, but I prefer sucking cock. I like to have something *big* in my mouth.

Do you swallow?

Sometimes. Other times I like for the guy to come all over me so I can lick it off myself. I put on a little show. Next thing you know, they have a boner again!

What do you do when you need to suck on something and you don't have a penis handy?

I suck on my toy. I get it nice and wet, then do myself.

Can you make yourself come that way?

Yes, but the best way for me to come is if someone licks my pussy. In fact, it would be really awesome if I could meet someone orally fixated like me.

Well, you know, I am a nail biter.

It's a date! ★

STELLA & SASHA

practice girlfriends

Hi, I'm Shawna the intern. High school senior Stella (in red) made a splash in BARELY LEGAL's January 2010 issue. Now she's back—and she brought a friend!

Hi, Stella! Who's your BFF?

This is Sasha. We met last summer at equestrian camp.

It looks like you hit it off. What's up with that?

The pussy licking is new! We *made out* a lot at camp, but that was mostly practice for kissing boys. Now we're practicing for college!

What do you like most about being with a girl?

The softness of a girl's body. Girls are so sexy!

How about you, Sasha?

I never thought I would love eating pussy, but Stella's tastes so good!

So, Stella, does this mean you're off guys?

Oh, no! I'm into guys still. I just haven't had much luck finding

a decent one lately.

What do you look for in a guy?

I'm looking for a nice guy. I want a *man*, not an immature boy.

How about you, Sasha? Are you into guys?

Totally. I'm totally straight. I just like to live in the moment, and that's it. Whatever feels good!

What's your favorite thing to do in bed?

I like butt sex a lot. Licking butts is hot. I hope that doesn't make me a freak!

So, Stella, if you had a boyfriend, would you want to have a threesome with him and Sasha?

Oh, yeah! Definitely! That would be hot! I *love* it when Sasha goes down on me, but I don't think I could live long without dick!

Was having sex on camera different from just posing nude?

It was a lot more fun! That's for sure! I sorta lost myself in the moment. ★

LINDSAY KAY

cuddleslut

Hi, it's Shawna the intern here with Scottish lass and rising porn star Lindsay Kay. The last time Lindsay was here (September 2008), she gave away her signed panties to a lucky reader. This time, I'm totally keeping them for myself!

Hi, Lindsay. What's new?

Let's see...I just shot a scene with this totally hot black guy. It was awesome. He had a huge thing!

How do you like doing movies?

I love it! I'm, like, totally famous back home. Well, among my friends, at least.

Does your family know you're doing porn?

No! I'm afraid of them finding out. I have an uncle who I'm pretty sure watches a lot of porn. I could just see him sitting there and going, "Hey, that's Lindsay!"

Do you have a boyfriend?

No. I'm between guys at the moment.

What's up with that?

It's hard to do porn and date at the same time. Boyfriends get so jealous! Girlfriends, on the other hand....

Do you prefer girls or guys?

It depends. I like them both! I don't see why I should have to choose one or the other. Most guys like it when I bring a girl into the bedroom.

What's your favorite thing to do in bed?

I don't know if it's my favorite, but I'm really good at giving head. I love making guys come in my mouth.

Is there anything you do in your private sex life that you wouldn't do on camera?

Not really. I actually have nastier sex on camera than I do in real life. I've had threesomes, I've done anal, ass-to-mouth.... I love it, but in real life I like foreplay and lots of cuddling. ➡

AGE: 20
HEIGHT: 5-9
WEIGHT: 135 POUNDS
MEASUREMENTS: 34B-27-40
HOMETOWN: EDINBURGH, SCOTLAND

What's a typical day in the life of Lindsay Kay like?

I wake up, shower, masturbate. If I'm lucky I go to a porn shoot and have really hot sex. Then I go home and hang out with my friends, watch movies, whatever.

What's the naughtiest thing you've done lately?

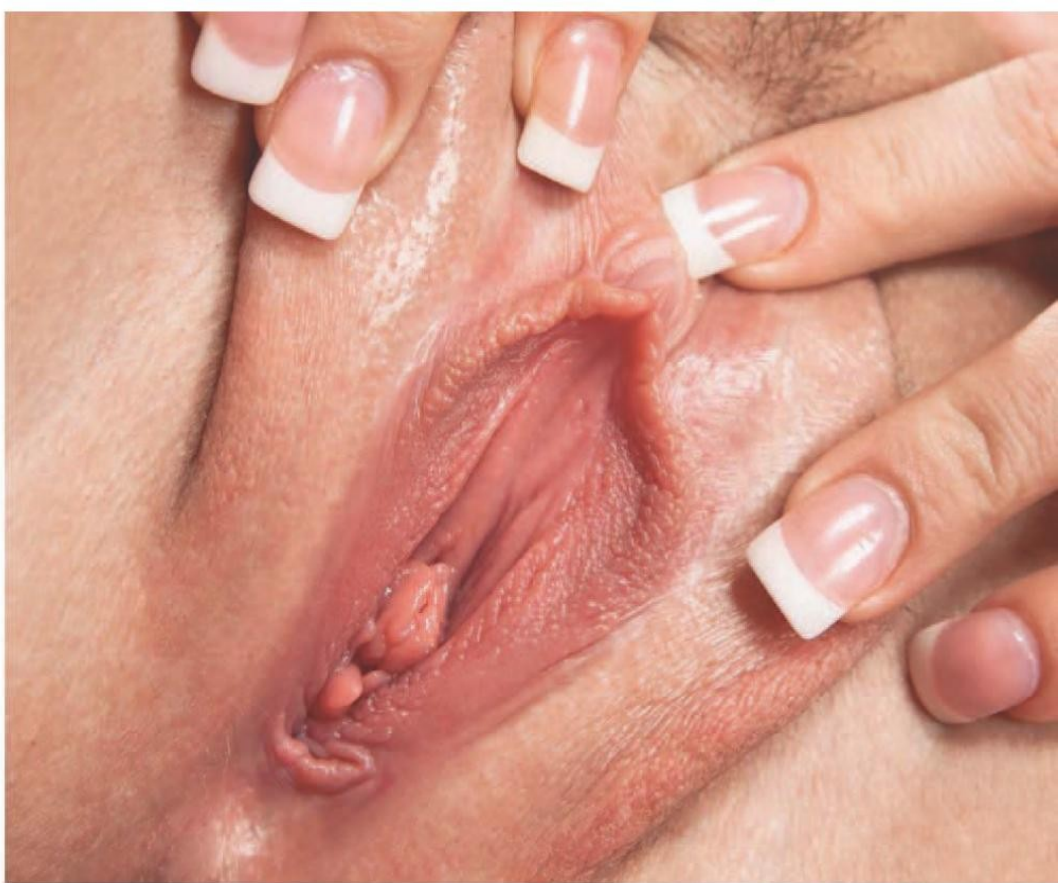

Had sex with the lights on and the curtains open for anyone walking by to see. It was hot!

Do you, like, *have* to shave your pussy to do porn, or do you just like to shave it?

I like to shave. I think my pussy looks cuter when it's all smooth down there. I know / can't keep my hands off it!

What are your future plans?

I want to make a name for myself doing porn, then who knows? I'll see where it takes me! ★

Lindsay Kay stars in *BARELY LEGAL* #82 (also available on Blu-ray), *BARELY LEGAL Little Darlings* and *Take It Black* #7 on DVD from HUSTLER Video.

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

THE BARELY LEGAL BOMB! ★★

BARELY LEGAL #100

HUSTLER Video. Directed by Matti Klatt; starring Prinzess, Katie Michaels, Jasmine Delatori, Heather Starlet, Bella Moretti, Kandi Milan, Dane Cross, Pike Nelson, Chris Johnson and Rocco Reed.

For something that's been such a long time coming, *BARELY LEGAL #100* had me coming in no time! I was a little surprised that the DVD wasn't, like, a three-disc special edition. Instead, the 100th *BARELY LEGAL* movie just does what *BARELY LEGAL* does best—gives us hot, young, all-natural girls having naughty, bad fun! From butt sex to lezzie action and everything in between, this flick has got it all. Jasmine Delatori has amazing boobs and even gives a cool underwater blowjob! Kandi Milan looks too sweet for butt sex—especially with her glasses on—but she totally isn't. In fact, I was *shocked* by how nasty she is! My only complaint is that my new crush, super cutie Katie Michaels, doesn't take a cock in her firm little bee-hind, too. Her super sexy girl/girl with Prinzess is down and dirty, don't get me wrong, but just watching Katie blow up a raft got me so hot and bothered that I wanted to see her blow something else! But anyway, you don't get to 100 movies without doing something awesomely right. With lots of cute girls showing off and having fun, *BARELY LEGAL #100* is everything your teen-loving heart could hope for!

Jasmine's all, "Stick to pelvic exams."

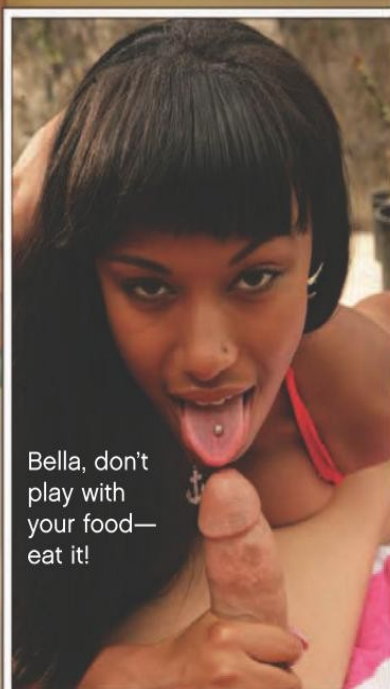

Brace yourself, Jasmine!

Bella makes love to the camera.

Bella, don't play with your food—eat it!

CAPRI

**girls against

Hi, I'm Shawna the intern. We can't get enough of Capri, who is now a *three-peat* BARELY LEGAL model! If you're instantly smitten, check out her super sexy debut in the December 2008 issue and her dripping-wet girl/girl with Shyla Jennings in the May 2009 ish!

Hi, Capri! How does it feel to be back by popular demand?

It's awesome! I feel like a rock star. Besides, I'm *incapable* of saying no to Lindsey!

You are a star! I hear you were in a BARELY LEGAL movie?

Oh, yeah. That was fun! We did it outdoors, and the guy was rough—but not *too* rough!

Did he come on your face?

No, he came on my pussy! It was hot because I went home and had sex with a girl right afterward, and she could taste the cum!

You're big on the whole bi thing, aren't you?

I love having sex with girls on camera. Having sex with random guys is hot, but it's too much drama! It's weird having sex with a guy who isn't your boyfriend.

Do you have a boyfriend?

I *did*! I thought he was the one for me, but I was wrong. I guess I am sort of a hopeless romantic.

What did he think about you having sex with girls?

He was turned on by it. He kept begging me to let him watch!

Did you let him?

No way! Honestly, I didn't like the idea of him getting turned on by another girl.

Wasn't that sort of unfair? You could sleep with other girls, and he couldn't?

No! It was *completely* different! I should have been enough for him! Me having sex with girls doesn't *mean* anything. It's only cheating if you hook up with another guy!

But aren't you having sex with guys in movies?
Now I am. I wasn't before, when I was still with my boyfriend. But I'm single now, and I can do what I want!

What's your favorite thing to do in bed?

I like to tease! I love being naked and cuddling up with a cute guy and stroking his cock until it's rock-hard! I love it when I can drive him so wild that he just takes me right there!

What are your plans for the future?

I want to do more porn—especially more girl/girl stuff. After that, I dunno. Maybe become a photographer so I can take pictures of naked ladies for the rest of my life! ★

Capri stars in *BARELY LEGAL* #96 on Blu-ray and DVD from HUSTLER Video.
